COWLEY: The Crowsnest Pass RCMP's asking for your help finding a missing 85 year old man who suffers from Alzheimers.

Archie Schweb of Cowley was last seen in Pincher Creek around 3 o'clock Thursday morning, when he dropped his daughter off at the bus station.

He was driving a dark blue 2000 Buick LaSabre 4-door car with the licence plate WDC-795.

He's about six-feet tall with a thin build. Schweb was last seen wearing blue jeans, a blue long sleeved shirt and a red and grey checkered cap.

Schweb may not know his own name if asked, but he does have his wallet which contains photo ID.

If you have any idea of where he might be you're asked to contact the Crowsnest Pass RCMP at 403-562-2867.
