Re: Request for 2015 Funding

The Joint Funding Committee for the Town of Pincher Creek and the Municipal District of Pincher Creek No. 9 has reviewed all grant applications for 2015 funding. Your request for \$10,000 to be used towards 2014/2015 Training Program was given careful consideration. The decision was to allocate \$8,000 towards your organization's request.

The total amount of funding requested, from the 17 applications, was \$343,500. Even with the Joint Funding Committee passing a resolution increasing funding to \$258,000 (per capita amount of \$37.70), not all organizations were able to receive funding.

For those receiving funding, it is anticipated that the funding that has been awarded will be distributed in 2015, no later than the end of February.

An application package for 2016 funding should be mailed to your organization by June 2015.

Councils for both the Town and the MD would like to thank your organization for its continued efforts and commitment to our community and wish you a successful and prosperous 2015.

Yours Truly,

Mayor Don Anderberg  
Town of Pincher Creek

Reeve Brian Hammond  
Municipal District of Pincher Creek No. 9
