## **Crowsnest Pass RCMP looking for missing 85 year old man**

Posted on 07 April 2011 by joann lawrence.

Crowsnest Pass RCMP are looking for Archie Schweb, a missing 85 year old man who is suffering from Alzheimers.

Archie Schweb was last seen by his daughter after he dropped her off at the Pincher Creek bus station. He was driving a dark blue 2000 Buick LeSabre 4 door car with an Alberta licence plate WDC-795. He has been missing since April 7 at 8 a.m. He was wearing blue jeans, a long sleeved blue shirt and a red and grey checkered cap. He did have a wallet on him which contains picture ID and some cash. He does not have a cell phone.

Because of his condition, Mr. Schweb has a history of getting lost and struggles with simple directions. He is not described as violent and he may not know his name if asked.

If you have seen Archie SCHWEB or his vehicle, please contact police immediately with your information.
