Grant Selection Committee
Office of The Fire Commissioner

Dear Committee Members,

I am writing in support of the Lethbridge Area Search and Rescue Association (LASARA) and their grant application under the 2014/2015 Ground Search and Rescue Program. Pincher Creek Search and Rescue works closely with LASARA during many incidents and shares training opportunities and trainers. A successful LASARA grant application will create new opportunities for shared training and help make LASARA an even stronger partner in our joint efforts.

Sincerely,

A handwritten signature in black ink, appearing to read "Brett Wuth".
