Here's some statistics (as of January 2002) which would be useful to
tasking agencies, local government, donor's, etc.:

```
            Incidents   Incidents  Op
    Year    of Interest Responded  Periods
    ----    ----------- ---------  -------
    1970's: 1           0          0
    1980's: 1           0          0
    1994:   1           0          0
    1995:   0           0          0
    1996:   1           0          0
    1997:   2           1          1
    1998:   7           3          2
    1999:   7           2          5
    2000:   8           7          12
    2001:   18          17         18
```
