To do

I've grouped our purchases by intended vendor:

http://pcsar.dyndns.org:8080/mediawiki/index.php/Members:Contact/AGLC/2013_casino/Resolve_unused_after_2_years/Purchase_Plan#By_Vendor

There are currently 12 of them.

Can you please get whatever paperwork the AGLC requires from each of these companies? This might be a quote, invoice, or simply a printing of the web page with the products in question. If we're lucky, the AGLC doesn't require anything like this, just the cheque and the receipt we'll eventually get.

Please also get a final amount including shipping costs for the cheque that we need to write.

If there's any company we cannot deal with, because they won't accept a cheque, can't provide the necessary paperwork, etc., let me know. We can select another vendor for those products.

We need to have a final list of vendors and amounts by late Wednesday March 30.

I'll work on putting together the board meeting (by phone or email) to approve the purchases over \$500. That will happen on Thursday March 31, for which we'll need the above list of vendors and amounts.

With that approval, we can write the cheques.
