Note:

Knots in rope reduce tensile strength. For this reason, we make no claims regarding a rescue bag's strength. Maximum load indicated is for the rope alone.

NRS's Rock Solid Guarantee

We want you to be happy with the products you buy from us. We guarantee all NRS products to the original owner against defects in materials and workmanship. If at any time you're not satisfied with the performance of an NRS product, please return it to the dealer where it was purchased or contact NRS directly. If we find that an NRS product is defective, we will at our option repair it, replace it, or refund the purchase price. NRS disclaims all other express or implied warranties. NRS will not be responsible for any consequential or incidental damages caused by or resulting from the use or performance of NRS products.
