

Dear Sir/Madame:

BRETT WUTH is planning on becoming or is a member of the Pincher Creek Search and Rescue (PCSAR).

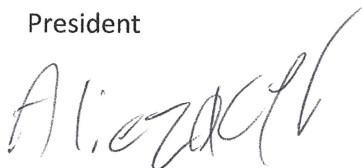

Recognizing Search and Rescue Alberta's Standards and Guidelines of January 2014 we are required to have all our members obtain both a Vulnerable Sectors Search and a Police Criminal Check performed.

Information gathered will be used to make a decision on the fitness of our members for our organization.

We require original copies of both forms for our system but suggest that members keep copies for themselves.

Thank You,

President
