

SAR Fundamentals – Assigned Reading

Student Name: _____

Date of Course: _____

Some portions of the SAR Fundamentals syllabus are easier read by the student, than *read to* the student by the instructors. During the break between the first and second weekend, please read the following material. You can use either the SAR Fundamentals or the FOG SAR/Basic SAR Skills manual. To verify that you've read the material, please submit one exam-style question *and answer* for each section and be prepared for an oral test of the material on the next weekend.

Survival, Body Management, & Fitness

SAR Fundamentals Manual: Ch.4 "Fitness" and Ch.5 "Survival and Body Management".
Or Basic SAR Skills Manual: Ch.3 "Fitness for SAR", Ch.24 "Survival (Body Management)"
