Dick Burnham, Administrator, completed the Auditor Sheet  
Pincher Creek Search and Rescue Society for 2013-2014

Notes to the Auditors Sign Off:

1. Inventory has not been completed in several years and therefore value of fixed assets and other current assets cannot be audited for accuracy. We recommend an inventory count be performed.
2. Bills are paid when due, pending signature of signing officers, without prior Board approval; however, they are approved at the next Board meeting.
