PO BOX 1705
PINCHER CREEK, AB T0K 1W0

Take action before your account becomes inactive.

Account #: 126063400 Balance: CAD 23795.85 as of September 7, 2015

Hi there,

We just wanted to give you a heads up that we change an account's status to **inactive** if you haven't made any transactions on the account or if we haven't received written acknowledgement of the account balance for one year. The last transaction or written acknowledgment made on your account was on November 05, 2014.

When an account is labeled inactive, the funds remain in the account in your name, and monthly fees for your account plan continue to apply.

To keep your account active, choose one of the following options:

- Complete a debit transaction either online, over the phone or at an automated banking machine (ABM).
- Make a purchase using your debit card.
- Visit your closest ATB branch and make a deposit or withdraw funds.
- Write a cheque on your account if your account has cheque writing privileges.

Any one of these actions keeps your account active for another year and avoids any additional fees.

What to expect if you don't take action and your account becomes inactive:

If there are no transactions or written acknowledgements on this account two years after the last transaction or written acknowledgement date, the account is considered **unclaimed**. Once an account is unclaimed, transactions will not be permitted until the account is activated. ATB will issue you a notice if that happens, in accordance with Government of Alberta legislation. Please note that we will charge you a \$25 fee for each notice we send.

If this account doesn't meet your needs anymore, we can help you find one that does. Please contact the ATB team member you typically talk to, visit any ATB branch or call us at 1-800-332-8383. We're happy to help!

Sincerely,

ATB Financial
