

Missing - 7 year old Ben, has spent lots of time around the farm with his ~~parents~~ <sup>grand father</sup> on previous visits - likes to ride on machinery and look at the new calves. Often plays with the farm dog.

Wilbur - Ben's 72 year old great uncle. ~~He~~ hunts and fishes and is quite active for his age - Is starting to show some signs of Senility - Is quite deaf if he hasn't got his hearing aid <sup>fixed on</sup>

Scenario

Grandmother <sup>Olga</sup> went to town about 3:00 P.M. to get groceries. ~~Came home~~ left Ben with Wilbur. She came home at 5:30 P.M. and found Wilbur asleep in a chair on the porch and Ben was ~~nowhere to be~~ missing.

~~Grand~~ Olga sent Wilbur to find Ben and ~~drive~~ Olga drove around in her car looking for Ben. When it got dark and nobody had returned, Olga called R.C.M.P.

Olga thinks Ben should be able to find his way home so she is concerned something has happened to him. She is worried about Wilbur also because lately he has been absent minded and may have become disoriented. Wilbur is dressed warmly and said that Ben was wearing warm clothes and a grey topie and black gloves
